Laura Recovery Center Establishes Web Site for Ike's Missing Persons

The Laura Recovery Center has set up a web site with information about persons reported missing as a result of Hurricane Ike. The new site can be accessed at:

www.LRCF.org/Ike

The site has flyers of some of Ike's missing persons that can be downloaded, printed, FAX'd and e-mailed from the site. In addition there is a complete list of Hurricane Ike's missing persons that have been reported to the Laura Recovery Center.

Family and friends who cannot locate a loved one as a result of Hurricane Ike can call the Laura Recovery Center (281-482-5723; 866-898-5723) and report them missing. The Center will record contact information from the caller, details about the missing person, and will accept a photograph via e-mail if one is available. This information is being actively shared with appropriate law enforcement agencies in the Galveston area. If given permission, we will post information as a flyer that can be used to help locate the missing person.

The Laura Recovery Center is a nonprofit 501(c)(3) organization that was founded in Laura Smither's memory. The Center focuses on Education, Search, and Prevention in the area of missing children, has offered free abduction prevention programs to over 160,000 children throughout the greater Houston area, worked with over 1,300 families with missing loved ones, and has organized over 80 community searches for abducted children nationwide. The Center trains law enforcement at the Houston Police Department training academy and distributes educational materials and child ID kits.
